ABSTRACT

Takengon Scholar IT Middle School is one of the educational institutions in Takengon which has integrated Islamic characteristics and has an excellence program that has been established in the school curriculum to produce a generation that excels in the field of religion, namely with the Tahfizh Al-Qur'an program. SMP IT Scholar Takengon is a school that is different from other schools, therefore the researcher wants to know about the implementation of the Tahfizh Al-Qur'an program and the targets that students must achieve after finishing school, with the target of memorizing 5 juz. In this research, the research question is How is the Tahfizh Al-Qur'an Program implemented at SMP IT Scholar Takengon and what are the obstacles faced in implementing the Tahfizh Al-Qur'an Program at SMP IT Scholar Takengon. This research aims to describe the implementation of the Tahfizh Al-Qur'an program at SMP IT Scholar Takengon and to mention the obstacles faced in implementing the Tahfizh Al-Qur'an program at SMP IT Scholar Takengon. This research uses a qualitative research approach and descriptive research type, this research was carried out at the Takengon IT Scholar Middle School. The instruments used in the research were observation and interviews. The results of this research show that the implementation of the Tahfizh Al-Qur'an Program at SMP IT Scholar Takengon is carried out every day. The implementation of the Tahfizh Al-Qur'an Program is carried out in only 2 hours and is carried out at different times in each class depending on the schedule obtained. The obstacles faced in the implementation of the Al-Qur'an tahfizh program at IT Scholar Middle School are (1) Space is still limited, (2) Provision of time is still inadequate, (3) Teacher staff, (4) students who lack focus in following the implementation of the Tahfizh Al-Qur'an program, (5) Feeling lazy, (6) Easily discouraged. From this research, it was concluded that the implementation of Tahfizh Al-Qur'an at SMP IT Scholar Takengon achieved the specified memorization target of 5 Juz memorized.
